MUSEUMS

Design: Andreas Angelidakis

Fridericianum CASSEL - Polemos Germany

Poufomania with a fulfilled look upon the world, happily invests in the Modern Art Productions and contributes to the Greek Art Production export worldwide through our constructive capabilities. With the long lasting partnership with Architect and Artist Andreas Angelidakis, Poufomania implements the Artist's architectural designs all around the globe, from remote Norwegian Communities to Great Metropolitan Museums, while receiving excellent reviews for the conceiving as well as the execution of the instalments!
